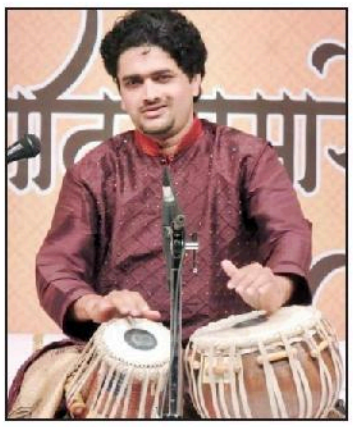
Dr. Uday Kulkarni to present tabla recital tomorrow



Mysuru, Oct. 9 - Gayana Sabha, Mysuru, has organised a tabla solo recital by renowned percussionist Dr. Uday Kulkarni at Kalpa Kshetra auditorium in Vijayanagar 3rd Stage here on Oct. 10 at 6 pm. Vighnesh Bhagavat will provide harmonium support.

Being 'A' Grade artiste of AIR, Dr. Uday has won many awards and titles — Ustad Amir Hussain Khan Award; Pt. Seshagiri Hangal Gold Medal; Pt. Basavraj Bendigiri Gold Medal.

He is also awarded Doctor of Philosophy in Tabla by the Karnatak University, Dharwad. Currently, he is an Assistant Professor in Tabla at Goa College of Music.

Free screening and discount on Mammography at Bharath Cancer Hospital

Mysuru, Oct. 9- As part of Breast Cancer Awareness Month, HCG Bharath Hospital and Institute of Oncology (BHIO), Mysuru, will be offering free screening camp and 50 percent discount on mammography screening test on every Saturday of this month (October) between 10 am and 1 pm.

Dr. Y.S. Madhavi, Senior Radiation Oncologist, HCG BHIO said "Breast cancer is the most common kind of cancer in women. The good news is that many women can survive breast cancer if it's found and treated early. A mammogram — the screening test for breast cancer — can help find breast cancer early."

Those interested can undergo a Mammography on all Saturdays this month (Oct.9, 16, 23 and 30). Camps and awareness programmes are also arranged at Cheluvamba Park on Oct. 15, Kukkarahalli Lake on Oct. 22 and Lingambudhi Lake on Oct. 29. For details contact Mob: 98803-94712 or 99454-33300.

EDITOR'S BOTTOMLINE

The Medical Termination of Pregnancy (Amendment) Act of 2021 recently came into force. The long-awaited amendment, passed earlier this year, raises the upper limit of abortions to 24 weeks from 20 for some categories of women, including survivors of rape. Further, there is no upper limit to terminate a pregnancy in cases of foetal anomalies if a medical board clears it. However, the amendment does not go far enough. Significantly, the decision to terminate a pregnancy still does not rest with the woman alone. Rather, it is the doctor — two, if the gestation period is between 20 and 24 weeks — who has the final say in whether or not a woman may have an abortion. This is of grave concern as doctors have been known to charge exorbitant fees for the procedure, deny access to the service on moral grounds or send the woman or child to the courts even if the service can be legally provided. While the amendment to the law is no doubt welcome, it will be meaningless without commensurate efforts to educate medical professionals on the legal rights of persons in need of abortions. The law should also not be a landmark by itself, but rather a step towards eventually allowing women the right to decide for themselves whether or not to continue with a pregnancy.

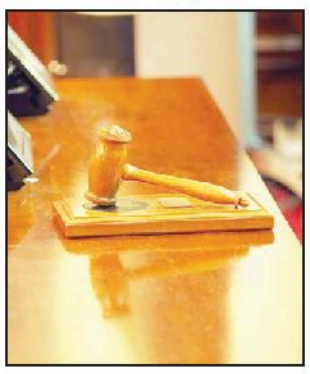
Route 36: Bolivia's notorious cocaine bar

La Paz: Route 36 is an illegal pop-up bar in the Bolivian capital city of La Paz notorious for being the world's first and only cocaine bar.

South America is home to many popular tourist attractions, like the ruins of Machu Pichu, the Salar de Uyuni salt desert, or Angel Falls, but when it comes to drug tourism, there's one place that everyone puts on their must-visit list. Route 36 is probably the only place in the world where you can walk in and order cocaine from the bar without having to worry about the legal consequences. Aimed exclusively at foreign tourists looking to indulge in some high-purity cocaine – no Bolivians allowed – Route 36 has been around for at least 12 years, during which time it has become famous as the world's only cocaine bar.

Man tries to sue wife for leaving shoes in wrong place



Ohio: An Ohio man tried to sue his wife for leaving her shoes in an inappropriate place and causing him to trip and tumble down a flight of stairs, suffering multiple bone fractures.

An appeals Court recently rejected John Walworth's lawsuit against his wife, Judy Khoury, over an incident that occurred in February of 2018. Walworth was helping his then-fiancee by carrying some jugs of vinegar to her basement when he tripped over a pair of her shoes and fell down the basement stairs, breaking bones in his leg, arm, and hand.

He later sued Judy, claiming that it was her carelessness that cost him 80,000 dollars in medical bills and another 18,000 dollars in lost income because his injuries caused him to miss work. However, the Court rejected his plea.

WEIGHT GAIN DURING PREGNANCY LEADING TO METABOLIC SYNDROME & HEART DISEASE

Most women gain weight during pregnancy beyond what is recommended. The nature of Indian culture and customs reduce physical activity while maintaining a high caloric intake post-delivery in the mother. This leads to further weight gain. The final result is an increase in waist circumference, raised triglycerides (cholesterol from food), low HDL (good cholesterol), early diabetes and hypertension. All these are features of metabolic syndrome and is completely caused by weight gain. The fat deposited in the body during weight gain secretes a few chemicals that cause insulin resistance and diabetes. It is one of the main risk factors for heart disease in women. Various studies in women post-delivery have shown 25 to 42% occurrence (Indian data). This syndrome is preventable. All that one needs to do is be aware, take that extra effort to lose that extra weight gained in Pregnancy by 1-year post-delivery. This can be done by appropriate healthy diet and exercise. In doing so the risk of diabetes and hypertension reduce and cholesterol levels normalize. Let us work forward for a happy baby and a healthy mother.

UoM to introduce transgender quota

Mysuru, Oct. 9 (RKB&BCT)- In yet another landmark decision aimed at empowering the transgender community, the University of Mysore (UoM) has decided to reserve one seat each in both undergraduate and post-graduate courses for transgenders.

The decision was taken at the University Academic Council meeting held at Vijnana Bhavan on Thursday. Breaking the barrier of discrimination, the University decided to introduce transgender quota to enable equal opportunities.

The Syndicate has already approved the proposal and many transpersons have already taken admissions. "We will reserve one seat in each department and mention the same in the prospectus so that more and more transgenders become empowered," Vice-Chancellor Prof. G. Hemantha Kumar told the meeting.

University of Mysore Vice-Chancellor Prof. G. Hemantha Kumar (centre) addressing the Academic Council Meeting at Vijnana Bhavan on Thursday. He is flanked by Registrar Prof. R. Shivappa (left) and Registrar (Evaluation) Prof. A.P. Gnana Prakash.

In 2014, the Supreme Court passed a widely hailed judgement that recognised the rights of transgender people and said they should enjoy all fundamental rights enshrined in the Indian Constitution. The SC had directed the Centre and State Governments to take steps to treat transgenders as socially and educationally backward classes and extend reservation in admission to educational institutions and in public appointments.

The Academic Council also decided to send a proposal to the Government to enable guest lecturers to be Ph.D guides.

"Even temporary lecturers can be Ph.D guides if they have eligibility and as of now they are being prevented from exercising the role of a guide as there is no sanction from the Government. As such, there is a severe shortage of guides and this has curtailed learning," Prof. Hemantha Kumar said.

Permission will be sought from the Government to include contract lecturers and also guest lecturers as Ph.D guides, he added.

The Academic Council approved the Prof. B.S. Vishwanath Gold Medal to the highest scorer in M.Sc Biochemistry and M.Sc Molecular Biology and Kambapathi Sreenivasarao Memorial cash prize to the second highest scorer in M.Sc Molecular Biology.

The Academic Council approved special courses at Cresta PU College in Alanahalli that intends to start BCA in Internet of Things and BCA Cloud Computing and Digital Sciences.

Registrar Prof. R. Shivappa, Registrar (Evaluation) Prof. A.P. Gnana Prakash, Finance Officer Sangeetha Gajanana Bhat and Deans of various faculties and College Principals participated.

'Learning will not stop after getting degree'

Orissa University Chancellor Dr. P.V. Krishna Bhat delivers Graduation Day address at Sarada Vilas College of Pharmacy

Mysuru, Oct. 9 (RKB&DM)- Maintaining that learning will not stop at getting a degree, Central University of Orissa, Koraput, Chancellor Dr. P.V. Krishna Bhat said that students must understand that leaning is a continuous process and as such they should pursue their quest for knowledge even after completing degree, which is only an academic qualification.

He was delivering the Graduation Day address at the Graduation Day and 29th Annual Day celebrations of Sarada Vilas College of Pharmacy at Sarada Vilas Centenary Hall in Krishnamurthypuram here yesterday.

Noting that students, apart from becoming subject experts, must also try to bring about a transformational change in the society for the better, Prof. Krishna Bhat stressed on the need for everyone to always tread the path of truth in life and ethics in profession.

Regretting that western culture has deeply creeped into our society, he said that the influence of this culture is increasing by the day in our education and daily life, which is a cause of concern for our society.

Bemoaning that education today is getting increasingly commercial, he said that today, students who spend much on education, will only think of ways on earning it back when they begin their professional career.

Expressing concern over people chasing after money, he said that money has overtaken everything, including values, honesty and ethics, which is not good for the society.

Observing that the age-old family system in our country is getting disintegrated fast with changing times, Prof. Bhat called upon the student community to work for eradicating the numerous social evils that have been haunting the country for long.

Expressing concerns about increasing problems concerning aged population, who are becoming a neglected lot in our society, he said that though 'Dharma' meant Religion when translated into English, it has a larger meaning that incorporates certain values and virtues that are to be followed in the society.

Sarada Vilas Educational Institutions President Dr. B.M. Subraya, Hon. Secretary N. Chandrashekar, Members Ramachandra and Babu, Syndicate Member of Rajiv Gandhi University of Health Sciences-Bengaluru Dr. G.R. Chandrashekar & Pharmacy College Principal Dr. Hanumanthachar Joshi were present.

'Savi Chintana,' the annual magazine of the College, was also released on the occasion.

Raagadrushya: Jamunarani Mirle's art expo to conclude this evening

Mysuru, Oct. 9- Maintaining that Raagamala paintings are not only found in North India, but also in Sree Tatva Nidhi scriptures found during the times of Mummadi Krishnaraja Wadiyar, noted music and dance critic Dr. Rama V. Bennur said that the projection of Raagamala tone in artwork is now part of history. She was speaking at the inauguration of the 3-day 'Raagadrushya' artworks expo of noted painter Dr. Jamunarani Mirle at Mysore Art Gallery on 12th Cross Ramanuja Road here on Thursday.

Pointing out that Raagamala paintings have a long history of over 400 years, Dr. Rama Bennur said that such paintings have their own style and speciality.

Noting that the ultimate goal of every art is to bring joy, she said that Jamunarani's works goes to prove that all works have an inter-relationship.

KEA Chairman Hemanth Kumar Gowda, singer Vid. Manasa Nayana, Mysore Art Gallery President L. Shivalingappa and others were present.

The three-day art expo concludes today (Oct. 9) at 6 pm. For details, call Mob: 94481-30067 or 99725-07570 or 99868-81128.

Mysuru Court cooker bomb blast case

NIA Court convicts three suspects

Mysuru, Oct. 9- A NIA (National Investigation Agency) Court in Bengaluru on Friday convicted three men for planting an Improvised Explosive Device (IED) in the sensational blast case in Mysuru Court premises at Chamarajapuram in August 2016. The quantum of punishment will be announced on Monday (Oct. 11).

The IED packed inside a pressure cooker and kept in the Court Complex toilet, exploded at around 4.30 pm on Aug. 1, 2016, leaving a school girl, who happened to pass by in a van on the road close to the Court's Compound wall, injured.

The convicted are prime accused Nainar Abbas Ali alias Library Ali,28, M. Samsun Karim alias Abdul Karim, 23 and Dawood Sulaiman, 23 and all of them are from Madurai in Tamil Nadu, who are lodged in Parappana Agrahara Jail in Bengaluru, following their arrest a months after the blast.

The NIA had taken over the probe from the Lakshmipuram Police at Mysuru on Sept. 20, 2016 after three similar explosions were reported from Court premises in Andhra Pradesh's Chittoor in April, Kerala's Kollam in May and Andhra Pradesh's Nellore in September the same year.

During investigation, the NIA unearthed the conspiracy, according to which, the IED was planted in Mysuru Court toilet in order to cause a huge damage, with Chamarajanagar-Tirupati express just about to pass by at the time set for the blast. But fortunately, the train was late on that day and also the railway crossing gate close to the Court was closed for the train to pass by. The toilet is located close to the compound wall that runs parallel to the Railway track. Also, there were no people inside the toilet when the blast took place and a splinter of the exploded bomb struck the school girl who happened to pass by in her school van, causing her injuries.

According to NIA Special Public Prosecutor P. Prasanna Kumar, the prime accused Nainar Abbas Ali had in 2015 formed 'Base Movement,' a terror organisation based on the lines of international terror outfit Al-Qaeda and its leader Osama Bin Laden.

Prime accused Nainar Abbas prepared the explosive in Madurai, while the second accused Samsum Karim came to Mysuru and identified the Court Complex where the explosive was kept and the third accused Sulaiman travelled from Madurai to Mysuru with the explosive and placed it inside the toilet along with a timing device.

Months after the Aug. 1, 2016 explosion, the NIA arrested five suspects. During the course of investigation, one suspect turned an approver, while charges were dropped against the other suspect for want of evidence, Prasanna Kumar said.

He further said that the convicted accused had recruited the other accused persons and hatched a criminal conspiracy to threaten Government departments, especially the Courts, holding them responsible for the injustice meted out to the minority community which they belonged to and for the alleged atrocities committed against them.

- Neeraj Chopra with javelin, bird and butterfly park a big draw
- Keep distance: 20 teams formed to warn people about electric shocks

Mysuru, Oct. 9 (MTY&BCT)- Following increased demand from tourists and to curb a series of traffic jams at the centre of the city and also outer areas during night, the Chamundeshwari Electricity Supply Corporation (CESC) has decided to increase the Dasara illumination timings by one hour from this evening.

Till now, the lights were switched on at 6.30 pm and were switched off at 9.30 pm. From tonight, the lights will be on till 10.30 pm and on *Ayudha Puja* and *Vijayadashami,* the illumination will go on till 11 pm.

In a press statement, CESC Managing Director Jayavibhavaswamy said that as many people could not see illumination beyond 9.30 pm due to traffic jams, the CESC has decided to increase the timings by one hour. The CESC has illuminated 102.9 km of city areas that covers over 87 circles including major and minor ones.

Thousands of tourists have arrived in Mysuru and many are coming from places like Kodagu, Hassan, Bengaluru and Mangaluru in vehicles to see the illumination and return to their hometowns. Also, thousands of Mysureans too are pouring onto the streets after 6 pm to see brightly-lit city surroundings.

The result: City roads are choked with traffic and many people who came after 9 pm were disappointed and had to return without enjoying the spectacular beauty. Illumination has its own problems as people get too close to the lighting in the name of taking selfies. 20 teams have been formed and vehicles with mikes are given to them to warn people of electric shocks while taking selfies.

BIRD & BUTTERFLY PARK

The centre of attraction in the illumination is the LIC Circle or the Millennium Circle where an attractive light park has been set up. The light park has images of butterflies, birds, fountains, mantaps and an awareness light theme that sends a message on how COVID virus spreads.

This park has been attracting hundreds of visitors every day and children are impressed by the beauty of butterflies and birds. The park concept has been designed by one Shyamala, who has experience of working in Bal Bhavan.

At Doddakere Maidan, illuminated art works of Hampi Chariot, Gommateshwara, KRS Dam, Golden Howdah elephant and his two female companions, portraits of Gautama Buddha, Dr. B.R. Ambedkar, Basaveshwara, Kanakadasa, Swami Vivekananda, Mahatma Gandhi and Nalwadi Krishnaraja Wadiyar are pulling crowds.

NEERAJ CHOPRA AND HIS JAVELIN

The javelin-throwing image of Olympic gold medallist Neeraj Chopra that has been placed at Ekalavya Circle near Maharaja's College Grounds is also attracting people and they are taking selfies with the hero.

3D images have been placed at several locations that includes Goddess Chamundeshwari at Gun House Circle, Yakshagana at City Railway Station and the butterfly park at LIC Circle.

At the Gun House Circle, illuminated images of Sri Shivarathri Rajendra Swamiji, Siddaganga Shivakumara Swamiji, India Gate and Jayachamaraja Wadiyar have been placed. Likewise, images of Darpana Sundariyaru at Ekalavya Circle, Valmiki, Pejawar Seer Sri Vishwesha Theertha Swamiji and Balagangadharanatha Swamiji at Dasappa Circle, Sir M. Visvesvaraya at MUDA Circle and Goddess Chamundeshwari at Sangolli Rayanna Circle are big crowd-pullers. Interestingly, to mark the 75th year of Indian Independence, four places have been lit up with the image of Mother India map and LED bulbs have been used. They are Columbia Asia Junction, Hardinge Circle, Nanjangud Ring Road Circle and Aishwarya Petrol Bunk Circle on Hunsur Road.

All-New Showroom of
JOS ALUKKAS opens
A TRADITION OF FINE JEWELLERY

The all-new showroom of the renowned jewellery group Jos Alukkas, located opposite Woodlands theatre on B.N. Road in Mysuru, was inaugurated this morning by MP Pratap Simha and film actress Harshika Poonacha. Others seen are Zoo Authority of Karnataka (ZAK) Chairman L.R. Mahadevaswamy and Managing Directors Paul J. Alukka & John Alukka.

Tourists swarm illuminated city

(Continued from page 1)

The only drawback is that there is not a single foreign tourist in the city owing to COVID.

Today being a second Saturday holiday, all the places of tourist interest in and around Mysuru were teeming with people.

Hotel bookings have started looking up since the past two to three days and more tourists are coming from Oct. 10 (tomorrow) for a five to six-day trip even to neighbouring places like Kodagu and Chikkamagalur. Many are also having a brief stop-over in Mysuru to see the illumination and are heading to Kodagu, Bandipur, Nagarahole and Kabini.

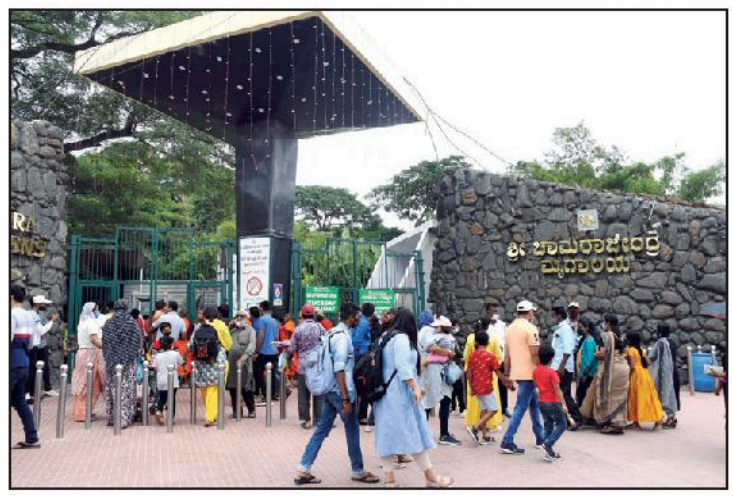
Online viewership

Along with offline tourism, online viewership of Dasara events has seen a marked increase. On Oct. 7, when Dasara was inaugurated, it was live-streamed across all social media platforms. On that particular date, 93,000 people saw the inauguration live from atop Chamundi Hill through Facebook and YouTube. On the same day in the evening, 36,000 people watched the cultural programmes at Mysore Palace. On Oct. 8, over 31,000 people saw the cultural programmes online.

According to Manu from Skyway International Travels who maintains the Dasara website, earlier, over 10,000 people used to visit the website daily and watch programmes. "Now we have over 35,000 unique visitors to the site every day and there is a great potential to develop Dasara as an International tourist event," he told *Star of Mysore* this morning.

Four 'Ambaaris'

Ambaari, the hop-on hop-off double-decker bus, is now running to its full capacity and there is a huge demand for evening slots and two more additional buses have been introduced to the existing fleet of two. Tourists are climbing up the buses and travelling on the rooftop to get the glimpse of the illuminated surroundings.



Road diversion to KRS Dam

With tourist footfalls to KRS Dam in Srirangapatna taluk increasing, the Mandya district administration has come up with road diversion from Mysuru from Oct.7 till Oct.18. According to an order passed by Mandya Deputy Commissioner, all vehicles coming from Mandya and Yelwal sides to KRS Dam will have to pass through Belagola and reach the parking lot located close to the reservoir's boating point from 3 pm till 11 pm till Oct.18.

After viewing the Dam, tourists can exit by travelling on the new bridge built across the river and passing through North Bank, Katteri and Yelekere Handpost to reach K.R. Pet-Mysuru main road from where they can proceed further towards Mysuru, Mandya or Bengaluru.

Likewise, vehicles coming to the Dam from Mysuru side should travel on the new bridge and take a turn to North Bank and pass through Katteri and Yelekere Handpost to reach K.R. Pet-Mysuru main road from where they can proceed further.

Dasara holidays for PU Colleges from Oct. 10 to 17

Bengaluru, Oct. 9- The State Government has announced Dasara holidays for PU Colleges, according to which the colleges will be closed from Oct. 10 to 17. After Dasara holidays, the colleges will reopen on Oct. 18, according to sources.

Bhoomi Puja for Founding of Mahashivaling and Erection of Rajyoga Museum tomorrow

Mysuru, Oct.9 (ASC)- Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya, Mysuru Sub Zone, has organised *Bhoomi Puja* for Founding of Mahashivaling and Erection of Rajyoga Museum tomorrow (Oct.10) at 10.30 am, at Gyan Sarovar Retreat Centre in Lingadevarakoppal, Hunsur Road.

B.K. Karunaji, Chief of Media, Brahma Kumaris, Mount Abu, will grace the occasion. District Minister S.T. Somashekar will inaugurate the programme. B.K. Lakshmiji, Chief Co-ordinator, Brahma Kumaris, Mysuru Sub Zone, will preside.

B.K. Lalitji Inani, Chief of Accounts, Brahma Kumaris, Mount Abu, will be the special invitee. MLAs S.A Ramdas, G.T. Devegowda and L. Nagendra, MUDA Chairman H.V Rajeev will be the chief guests.

About Mahashivling and Rajyoga Museum

The Mahashivling will be the tallest among such structures in Karnataka and it will stand on a 50 feet height base. The place

will soon be a joint to experience spirituality and tranquillity.

The Auditorium: A 50-seat capacity Air Conditioned 3D auditorium will be built in which the history of Brahma Kumaris movement along with services being rendered all over the world can be viewed. An overview of Rajyoga teachings and meditation technique can also be watched here.

Dwadasha Jyotirlings: Public will have an opportunity to take *darshan* of 12 famous Jyotirlings of Bharat.

Meditation Enclosure: The practical use of Rajyoga meditation can be experienced. Meditation Booths will also be available separately to practice meditation in solitude.

Health Stall: The positive effect of Rajyoga teaching and meditation on our mental and physical health can be learnt with the aid of audio visual tools.

The Great Indian Future: Bharat was once called golden pigeon of the world. History will repeat and Golden Age will arrive again in Bharat. People can see the life obtaining during that period through beautiful models.

Science and Spirituality: Through scientific instruments like touch screen, hologram, talking mascot etc., youths and children will be able to understand Rajyoga faster and better.

Apart from these, a beautiful statue of Basava perched on a tall pedestal, water fountains, lush green lawns are other facilities being offered along with spiritual activities, Q&A sessions and counselling.

NOTE: This mammoth divine structure will be constructed in the name of World Renewal Spiritual Trust, a sister concern of Brahma Kumaris.

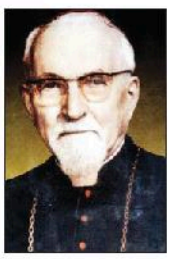
St. Philomena's College turns 75



Rev. Fr. Leslie Moras and Rt. Rev. Rene Feuga

Mysuru, Oct. 9- St. Philomena's College, a prestigious autonomous College in Mysuru and the first private Degree Science College in the erstwhile Mysore State, completes seventy-five years today.

Speaking to *Star of Mysore*, Rev. Fr. Leslie Moras, Episcopal Vicar for Education and Health Services in the Diocese of Mysore and former Principal of this College, said it was on this day, October 9, 1946, the then Maharaja of Mysore Sri Jayachamaraja Wadiyar inaugurated the College.

"It was history in the making in ways more than one as the College was an outcome of the philanthropic munificence of the Mysore royal family and the sacrifice of Rt. Rev. Dr. Rene Feuga, the first Bishop of Mysore who sacrificed the Bishop's Mansion to make room for class rooms and moved to a two room accommodation at St. Philomena's Church till the new Bishop's House was built," recalls Rev. Fr. Leslie Moras.

The College has had great stalwarts like Chevalier Varkey, an Education Minister in Rajagopalachari's Government in Tamil Nadu, who was its second Principal and renowned faculty members like Prof. Gopalakrishna Adiga, the doyen of modern movement in Kannada poetry, renowned Space Scientist and former Chairman of ISRO U.R. Rao among many others, he noted. Over the years, the College has excelled in many ways with recognition from the University Grants Commission (UGC) as a College of Excellence and high ranking in assessment and accreditation by the NAAC.

During the last seven-and-a-half decades, the College has attracted students from all over India and more than 30 counties worldwide.

As the College gears up for the celebration of its Platinum Jubilee with its glorious past, it looks forward to greater achievements in future, the onus lying with the present regime of Management and Staff to sustain the excellence and take it forward, stated Rev. Fr. Leslie Moras.

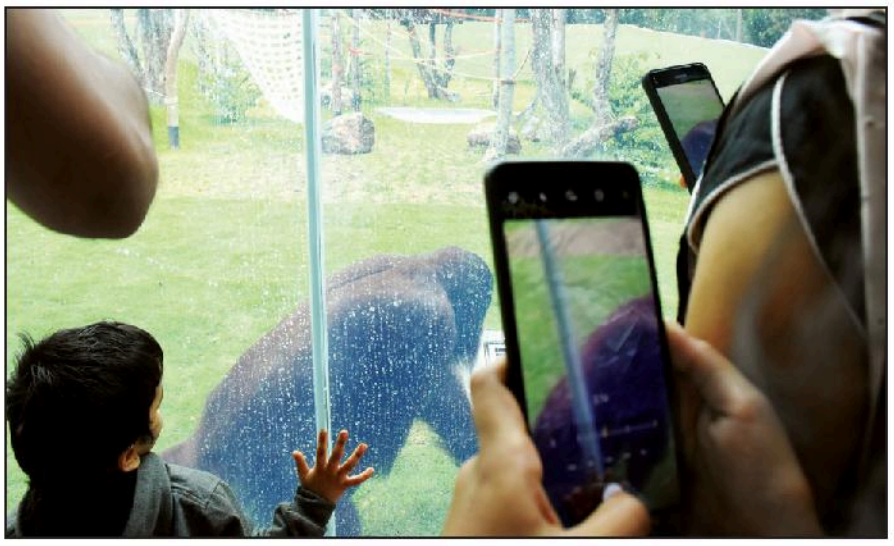
Catch a glimpse of Orangutans at City Zoo



Mysuru, Oct. 9 (MTY&BCT)- Visitors to Sri Chamarajendra Zoological Gardens (Mysuru Zoo) on Wednesday had the first glimpse of the orangutans that were brought from Malaysia and Singapore under the international animal exchange programme.

Mysuru District Minister S.T. Somashekar asked the Zoo authorities to open the orangutan enclosures to the public as the primates have already undergone the mandatory quarantine period and the required health checks.

The Minister also visited the enclosures housing gorillas that have been brought from Germany. However, the gorilla enclosures have not been opened to the public.

The Zoo got two pairs of orangutans from Singapore and Malaysia. While 17-year-old male Merlin and 13-year-old female Atina arrived from Singapore Zoo, five-year-old male Afa and 7-year-old female Minnie were brought from Malaysia Zoo.

While Atina refused to come out of the cage despite cajoling and coaxing efforts, Merlin happily came out and hung on to a branch and onto a belt that was kept on the tree. It came near the visitor-animal separation glass partition and looked curiously outside. Children were attracted to the primate more and as they kept their hands on the glass partition, the orangutan too responded similarly, attracting exclaims of surprise at its intelligence. Mysuru Zoo has now achieved the rare distinction of being the only Zoo in India to house orangutans and the last time the Zoo displayed orangutans was in the 70s.

The Minister and Zoo Executive Director Ajit Kulkarni said that Infosys Foundation has sponsored Rs. 3 crore and Bank Note Paper Mill India, Mysuru (BNPM) has contributed Rs. 70 lakh from Corporate Social Responsibility funds and even L&T has contributed money.

C.M. Poonacha elevated to be HC Judge

New Delhi, Oct. 9 (BCT)- The Supreme Court Collegium has approved the proposal for elevation of four advocates as Judges in the Karnataka High Court (HC). The Centre is expected to approve this and issue a notification.

The four names approved are — Cheppudira Monnappa Poonacha, Anant Ramanath Hegde, Siddaiah Rachaiah and Kannankuzhyil Sreedharan Hemalekha.

The Collegium headed by Chief Justice N.V. Ramana took the decision in its meeting held on Oct. 7 and the resolution was uploaded on the Apex Court website yesterday.

Advocate Cheppudira Monnappa Poonacha has more than 20 years of practice experience, having commenced his career in law in the chambers of senior advocate S.K.V. Chalapathy, and thereafter under his father late C.M. Monnappa who was also a noted advocate.

Cheppudira Monnappa Poonacha

In 2001, Poonacha, along with Kiran V. Ron and R. Sukruta, established Lexplexus, a law firm in Bengaluru with a primary objective of providing diverse legal solutions to clients that include individuals, organisations of various types and large corporations. The team has trained many budding advocates.

Today, the firm, with a team of committed professionals, services a range of business and personal needs, addresses a range of diverse issues: litigation, cyber law, corporate law, contracts and intellectual property, cross border disputes, property and their allied areas.

Poonacha is known as Nayan in family circles and hails from Nokya Siddapura near Thithimathi in Kodagu. He has been serving as Additional Government Advocate in the High Court since August last year and has been commended both by the Government and the Court for his professional approach in issues of national importance.

His mother Shaila hails from Kandrathanda family. Poonacha is married to Kanjithanda Savitha, daughter of Dr. Kanjithanda Chinnappa and Sharada couple. Savitha too practices as an advocate. The couple has a son and daughter Somaiah and Hitha.

WORD OF THE DAY

Intransigent

Pronunciation: in-TRAN-suh-j unt.
Meaning: Characterised by refusal to compromise or to abandon an extreme position or attitude.
Origin: Intransigent comes from Spanish intransigente, meaning "uncompromising." Its root is transigir ("to compromise"), which is related to Latin transigere ("to come to an agreement"). The French have a similar verb, transiger, which also means "to compromise." Transigent as an opposite of intransigent has yet to become recognized as an acceptable word in the English language.
Example: "So we're this incredibly adaptable creature because we have these very plastic brains. And our experience imprints itself on those brains, and we become habituated to things. ... And that's just the way they are. ... And this is ... what makes us so intransigent, so resistant to change...." — James Suzman, quoted in The New York Times, 29 June 2021.

THE ODD WORD

Ichthyophile

One who loves fish or fishes.

PHRASE OF THE DAY

It's a small world

Meaning: Used when you have encountered the same people, events, or situations in an unexpected place or you have discovered that someone knows a person you also know.
Origin: The phrase 'It's a small world' is an ancient one with no known origin. It has been used for hundreds of years in Spanish-speaking countries, where it's said 'El mundo es un panuelo.'
Example: "Imagine you knowing Sheri! It's a small world, isn't it?"
